Book Fair is
8 a.m.-4 p.m.
Aug. 20-23,
Bldg. 4203
lobby**

University physics class seeking Marshall collaboration

A University of Alabama in Huntsville professor and his senior physics students want to collaborate with Marshall Center research groups. The goal is to provide "real world" research experience for the students while supporting Marshall's research work. The collaboration would begin in the fall 2002 or spring 2003 semester. For more information, contact Frank Brannon, Education Programs Department/CD60 at frank.brannon@msfc.nasa.gov
